

Post Graduated Bachelors writing their Master Thesis at Neumayer Tekfor

Having passed your bachelor graduation in engineering or business administration, and looking for a challenge in the automotive supplier industry with an international environment, you will find the ideal entrance to your career.

The Neumayer Tekfor Group is a global partner for the automotive industry. With a 3,300-strong global workforce and entities in Germany, Italy, North America, Brazil, Mexico and India, Neumayer Tekfor Group is a market leader in the definition, development and production of pioneering solutions for transmissions, engines, drivelines, special applications and safety fasteners.

We are seeking several

Trainees

for Manufacturing, Finance, Supply Chain and Sales. During an 18-months program you will get to know all routine processes in your related area.

First starting at your home base you will be moving to different locations, partially abroad, e.g. to Brazil, the US or Italy, for 3 to 4 months, before returning to your home base to finalize your Traineeship with a Neumayer Tekfor Master Thesis.

A high-ranked manager will be your mentor throughout the program.
